Fat Freezing - Ice Fusion POA

It's a great way to contour your body by freezing unwanted fat away with no surgery or downtime. Packages Available...

Bio Sculpt – Lymphatic Drainage POA

Medically proven by MRI scans to breakdown the fat and cellulite on problem areas on the face and body. It uses your lymphatic system to unblock and drain excess fluid to sculpt your body.

Packages Available

(Includes Infrared Dome with Every Treatment (30 Min))

Muscle Toning 50 min | \$159.00

An efficient and effective method has been developed for non-surgical face-lifting and body contouring. The treatment provides a dynamic wavelength device that can be used to tone muscles anywhere on the body, as well as decrease and mobilize fat in certain areas. This technique is based on the response of muscles to electric stimulation.

Infrared Detox Therapy 30 min | \$65.00

Using Infrared therapy in our cocoon shaped dome provides the ultimate in detoxing your body. It is safe and gentle as it heats your core temperature increasing circulation and burning up to 600 calories in one session.

Packages Available - 10 sessions **\$400.00**

Body Contouring / Radio Frequency POA

Body contouring sculpts and contours the body by reducing stubborn pockets of fat without the need for invasive surgery such as liposuction

Radio frequency - Skin Tightening generates RF energy. This process also stimulates new collagen production and flushes out toxins.
